Rydell Industrial (Belting) Co

## Rycon General Purpose Curve Conveyors

**STOP PAYING TOO MUCH FOR CURVE CONVEYORS**

Rydell Industrial (Belting) Co introduce our comprehensive range of general purpose curve conveyors for smooth product transfer.

Rycon Curves are available in mild steel or stainless steel constructions, in a wide selection of sizes. We can tailor build a perfect curve to suit most applications, all at a price that wont leave a hole in your budget.

Getting a quote on a Rycon Curve is as easy as contacting your local Rydell branch, with offices across Australia, we can discuss it with you over the phone, or one of our site representatives can come to you. It couldn't be easier.

### Main Features

- Mild or Stainless Steel construction
- PVC and PU belt types/ various colors
- Tapered drive roller for small transfer points
- Quiet operation
- Virtually maintenance free
- Available with or without supports
- Tailor made to your needs
