

Rydell Industrial (Belting) Co

It pays to invest in Quality

Rycon Feeder belts

In critical feed applications, our RYCON Feeder belts are the preferred option, to give you high quality performance on all paper and board qualities.

Rydell Industrial (Belting) Co in conjunction with Ammeraal Beltech, offer the best feeder belts available on the market today.

Our exclusive construction of truly endless belts utilise proven Linatex material, which is widely accepted as original equipment by the following world leading brands.....Bobst, International and Post, just to name a few.

Main Features

- Excellent abrasion resistance
- Positive consistent grip
- Uniform blank feed
- Long wearing compound
- Truly endless construction
- Smooth proof ground finish
- Anti-statically equipped
- Common sizes ex stock
- Competitively priced
