

## RECYCLING BELTS

PRODUCT INFO SHEET

Rydell Industrial (Belting) Co stock and supply a complete range of belts for the recycling and waste processing industries. This high quality range of belts are particularly suited for transfer of product on collection systems, compactors, crushers, magnetic separators, shredders and sorting tables.

Our RYCON recycling range is specially manufactured to your size requirements and utilise the finest quality materials in their manufacture for maximum cut and tear resistance to give you a long service life.

aluminium and PET processing

sorting tables

Rycon belts are resistant to abrasion, chemicals, cutting, gouging, impact and not affected by chemicals and detergents.

We supply and fabricate any size belt including vulcanising on-site or fitted with fasteners. We supply belts with impression surfaces or cleats and flights for incline applications.

Rydell Industrial (Belting) Co is the market leader in the supply of light to medium duty belts. Our Australia wide network and over 28 years experience ensures you get the right belt for the application.

incline conveyors

We supply belts in PVC, Polyurethane and rubber surfaces

Whatever your requirement, we have a belt for every application at competitive prices.

belts with magnetic separators

Call your nearest branch office for a quote or on-site visit to advise you on your next belt purchase.
